Toni Garrn Is Monday's Top Model

From left, Atong Arjok at Yeohlee, Toni Garrn at Herrera, and Aline Weber at Marc Jacobs

While Monday ended with [Aline Weber](#) closing the [Marc Jacobs](#) runway, we still don't know which model actually opened Marc's stunner of a show (it wasn't the male [Cole Mohr](#), as rumors suggested). Meanwhile, [Yeohlee](#)'s model castings were nothing short of amazing, selecting [Sessilee Lopez](#) to open and [Atong Arjok](#) to close. We were glad to see Somali model [Ubah Hassan](#) walk the runway with that certain [Iman](#)-like elegance and grace. Also, Aussie babe [Abbey Lee](#) continues to rack up closing spots, closing for both [Diesel](#) and [Jill Stuart](#). Stuart's face, [Toni Garrn](#), opened the show, as expected, but it was her opening slot at [Carolina Herrera](#) that cements her status as today's top model.
